Faulty products returned under warranty

✂️ ----- ▲ (Please send the first page and everything above this line to us) ▲ ----- ✂️

YOUR GUARANTEE (Please keep this part)

All products are covered by 12 months warranty, so don't worry, we will help you solve this problem. **We will contact you when we receive the returned package.** If you are concerned about the return process taking a long time, you are welcome to phone or email us. Please allow up to 3 weeks for the postal delivery to China. We are sorry for any inconvenience this is causing you.

Warranty

If the item is repairable, we will repair any broken items for you and ship them back to you, free of charge. All you need to do is post them back to our warehouse. This page describes how to send back the faulty item(s). If the item is not repairable, we will credit your account.

Costs Involved

The cost of posting back the faulty item(s) needs to be borne by you. The cost of duty, handling, and QC inspection is borne by the Seller. The cost of any repairs including replacement parts [where it is a fault not user-caused damage] is borne by the Seller. The cost of shipping the repaired item(s) back to you is borne by us.

Please note the valid period of this RMA number is 60 days from the date we authorize till the date we have received it.
 Please **ONLY** return products by **NORMAL POST** (Airmail or EMS), not courier to return products

IMPORTANT ADDITIONAL NOTES:

Clearance in Chinese Customs, even for postal packets, is unfortunately a long process. For items to pass from Hong Kong to Shenzhen, it can sometimes take more than a week. Unfortunately that is beyond our control. If you need replacements sent to you or to a customer urgently, please order a new item from our website in the meantime.

If you have it available, please also enclose a copy of your tax receipt for any Sales Tax or Import Duties that you had to pay the first time the goods arrived with you. (Normally this receipt should be provided by your courier.) We will enclose this copy when shipping repaired/replacement goods, which may reduce the chance you will be charged import taxes a second time. However, this depends on the practices of your local Customs so we can offer no guarantee in this regard.

Please return products in their original boxes as far as possible with all accessories. **Products must be securely packed.** Do not enclose your own belongings or accessories such as movie DVDs left inside DVD players. Please keep the return package **under 20KG and make sure you take a picture of it, in case of damage during delivery.**

If the returned products are confirmed by our technicians to be perfectly functional, then these items will not be returned to the buyer, refunded, or compensated in any form.

Please only return goods for which we have provided a RMA number.

The Seller holds no responsibility or liability for: products which have been returned without being approved using the RMA process; returned products which are outside their warranty period; or approved RMA products sent using the incorrect shipping method.
